

HERBAL

SARRIETTE BASE 199618 D

OLFACTIVE NOTE

A new herbal-thuyonic specialty based on several Firmenich captive ingredients, Salviac, Thuyaketone and a powerful new derivative of Oxane. The base opens with aromatic herbal notes, dry notes similar to cypress, settles down to more green vegetal pepper notes. Fresh and longlasting.

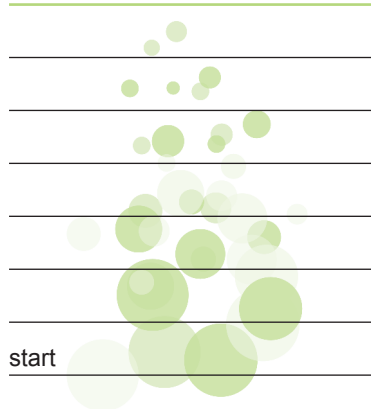

PERFUMERY USAGE

Gives a very natural herbal touch and can also enhance other herbal notes (lavender, rosemary, thyme). Due to its extreme power, very small amounts of SARRIETTE 199618 D have an obvious effect.

Tenacity
Lasts 1 week
on a smelling strip.
